

# I-C-T Enrichment Activities

## Summer 2010

CEDA has over 21 years experience in delivering training and learning in the South West. Our main service offers learning and social opportunities to disabled adults and children.

**Our Enrichment activities are an expansion of the regular services. We welcome all disabled people, as well as parents, carers and family members either individually or together.**

**We will support and encourage you in your learning we offer at CEDA.**
